

We are pleased to present the results of the 2008 UBA Employer Opinion Survey. The Survey was conducted during February of 2008 the joint effort of the 140 independent benefit advisory firms who comprise United Benefit Advisors (UBA).

The purpose of the Survey is to provide employers with a comprehensive overview of the healthcare cost-containment strategies and dominant opinions and preferences regarding employer-sponsored health plans and future solutions. The information presented in this report will be of use in evaluating existing programs and charting future health plan strategy.
